Students are required to have two pairs of shoes; inside shoes that are appropriate for gym and outside shoes. Students also are required in grade 5 to change for Phys. Ed so a change of clothes for gym is necessary. Please send roll on or stick deodorants, no spray deodorants please. Please make sure that all items, such as backpacks, lunch kits, shoes, mitts, etc. are labelled.

If you wish to order your supplies from IDA, they have a complete supply package at a cost of $60.99 plus tax, which can be picked up starting August 7, 2026. The only items not a part of the package are the two soft sided pencil cases.

Thank you!
