

Dear Parents:

The upcoming 2023-2024 school year will be an exciting, fun and academically challenging one for the Grade 6's at St. Thomas Aquinas School. As well as academic endeavors, students will be involved in many other activities that will promote growth, maturity and self-esteem.

Below is a list of classroom supplies that are needed for students to have for the Grade 6 school year. It is requested that students do not bring White Out or colored Gel Pens to school as they are not necessary. Please also note that these supplies may need to be replenished during the year if they are used up.
